

Opportunity@Work is a coalition of organizations and businesses working to enhance Nebraska's workforce by supporting programs and initiatives that create opportunity for working families to achieve financial stability, contribute to the prosperity of local communities and strengthen the state's economy.

Opportunity@Work supports programs that have been shown to help employees by:

- Expanding their knowledge of personal finances
- Improving their economic stability—enabling them to stay on the job and on-task
- Increasing access to and knowledge of work supports and programs that accomplish the above initiatives

Opportunity@Work supports programs that have been shown to help employers by:

- Boosting their profitability
- Cutting down on employee absenteeism
- Helping create stable new customers
- Improving and enriching the communities in which they own businesses
- Bolstering the economy of the state
